In *The City That Became Safe*, Franklin E Zimring seeks out the New York difference through a comprehensive investigation into the city's falling crime rates The usual understanding is that aggressive police created a zero-tolerance law enforcement regime that drove crime rates down

argument, but I'll try to highlight its essential features.

The city is not its own master Still, something has gone wrong, radically wrong, in our conception of what a city itself should be Perhaps those nice words -- clean, safe, efficient, dynamic - are not enough in themselves to confront critically our masters In this talk, I'd ...
